

PEN E-TRADE

TGSL AND CDL

HOW DOES THIS PRODUCT COMPARE TO A “STANDARD” OFFERING?

Available on TGSL, Acturis and CDL

Our cover is highly differentiated. Our wide footprint means we will quote on risks that e-traded systems normally exclude, for example, we can cover underpinned properties, listed buildings and buildings undergoing renovations or building works. Plus our enhanced policy wording offers higher blanket sums insured.

We know that e-traded products can seem generic, so we add value wherever we can, for example, your clients will benefit from excellent service from our UK claims team. And you'll find us easy to do business with: many non-standard risks will auto-rate; and where referral is needed to an underwriter, our in-house team's expertise makes them quick and flexible.

For full product details, you can download our policy wordings and summaries of cover from our website. For a smooth quotation journey we have also added the endorsement libraries.

WHAT ELSE DO YOU NEED TO KNOW?

Our 12 month policy offers blanket sums insured on:

- Buildings up to £750K
- Contents up to £70K

Our offer includes optional covers:

- Accidental damage for selected occupants
- Worldwide cover on personal possessions on trips up to 60 days for permanent homes
- Pedal cycles
- Specified contents option

WHO QUALIFIES?

We cover households with up to five bedrooms including:

- Permanent homes
- Let properties, including students and DSS
- Unoccupied properties
- Holiday homes
- Weekend homes

- Weekday homes

We can also accommodate a wide range of occupant types including people with criminal convictions and people with adverse financial or insurance history.

WHY DO BUSINESS WITH PEN?

Pen Underwriting (Pen) is a multi-class, multi-territory Managing General Agent (MGA).

When we set up Pen in 2014, we brought together some of the UK's best known and most respected underwriting businesses, many with decades of underwriting expertise.

From a 'super start-up' of a dozen or so brands, to a single cohesive £650m GWP business, we're setting our sights on our next milestone – with a bold new vision to become a £1bn GWP underwriting & distribution business.

Over the last six years, the businesses have integrated to form one single operation that had broad distribution and acted like an insurer, responsible for everything apart from the capital at risk.

In 2021, with the majority of the integration work done, and with Pen operating as a single business, Pen is redefining itself – not as the business it thought it might become, but as something even better – the business the market needs it to be.

Our values – IDEAS, AGILITY, CONNECTING, FULFILMENT and SOLVING – are built on strong foundations.
